Enter medications **ONCE** and **SAVE**. It's that easy. We've been doing it for 15 years!

Only Connexion has the "gold standard" in drug pricing to deliver the most accurate prescription drug costs.

Only the most **ACCURATE** drug costs deliver **RELIABLE** out-of-pocket estimates, to match beneficiaries to their **BEST FIT** Medicare plans.

Make sure you have the right tools to deliver best fit plans every time:

1. **Book of Business TOOLKIT** - quick quotes, dashboards and medicine cabinet to SAVE drug lists
2. **PlanCompare TECHNOLOGY** - for a highly personalized shopping experience
3. **Most Accurate DRUG PRICING** - to deliver reliable out-of-pocket annual cost estimates to beneficiaries
4. **Secure ONLINE ENROLLMENT** – We've never lost a Medicare enrollment in over 15 years!

With Connexion, beneficiaries and brokers/agents can enter and save medication lists, as well as update lists anytime to see how adding and deleting prescriptions will affect them financially—without sharing any confidential usernames and passwords.

Connexion is powered by Connecture, the most widely adopted Medicare shopping and enrollment solution, providing millions of consumers every year with a simple digital experience for finding their best fit plans.
